Check the one appropriate box. **Include Attachment A.**

Provide the hours and days per week of operation (**a minimum of 15 hours per week is required**) and the county and state where the applicant organization's office is located.

The facility must be open at least 15 hours a week and have a telephone dedicated exclusively to the organization. The office may be staffed by volunteers. Substantial local presence cannot be met on the basis of services provided solely through an "800" telephone number or by disseminating information or publications via the U.S. Postal Service, the Internet, or a combination thereof.

OR

(Information on the geographic boundaries of local CFC Campaigns can be found on the CFC website at www.opm.gov/cfc/Search/Locator.asp.) WHAT HAPPENS NEXT

We will work with each applicant until we judge that the organization meets all the requirements of the CFC. If we believe an organization does not qualify, we will inform the organization.

We will submit all applications we are recommending for admission. Each PCFO will review the applications we submit and make the final determination about admission.

We will notify applicants by e-mail when we have submitted their applications.

IF AN ORGANIZATION IS DENIED ADMISSION

Occasionally local CFC administrators disagree with the federation's recommendation for admission. In these cases, the federation will receive a letter stating the reason(s) for the denial. If the organization wishes to appeal the decision, the federation will advise and assist with the appeal process.
