

ANIMAL WELFARE FUND MEMBERSHIP AFFILIATION FORM

Organization Name: _____

Statement of Services

The above named organization hereby seeks to affiliate with the Animal Welfare Fund (AWF) as a member for the 2016 Combined Federal Campaign. We understand that AWF will:

- Screen our application in accordance with the eligibility requirements of the CFC as published by the U.S. Office of Personnel Management (OPM), forwarding said application to local CFC zones which AWF enters and for which we qualify.
- Report to us in writing the amount of money that has been pledged to our organization in the 2016 CFC, projecting the amount we can reasonably expect to receive after local CFC administrative costs, donor non-fulfillment, and the AWF fee (see below) are taken into account;
- Forward to us the names and contact information of those federal donors who ask to be acknowledged by our organization; and
- Forward to us donated CFC funds that are received on behalf of our organization by AWF from the 2016 CFC minus any AWF fee (see below).

We acknowledge that the final determination of our organization's eligibility will be made by OPM.

Membership Fee Policy

AWF charges a fee to those organizations it assists with CFC applications and donation management as described above. This fee is calculated based on what each organization actually receives from the CFC – what we call “net receipts.”

For the 2016 CFC, AWF will charge 5.0 percent of a member's net receipts. The fee will be capped at \$1,000.

I certify by my signature below that I have read and acknowledge AWF's Affiliation Form:
